## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 17 October 2006 has been entered.

## **REASONS FOR ALLOWANCE**

2. Claims 1, 2 and 4-14 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Claims 1 and 8 are allowable for at least the reason, "wherein the zoom system includes at least three substantially horizontally extending magnification or observation channels that pass entirely through the zoom system while remaining spatially separated from one another" as set forth in the claimed combination. Claims 2 and 4-7 are allowable based upon their dependence on claim 1 and claims 9-14 are allowable based upon their dependence on claim 8.

The prior art of record teaches a stereomicroscope comprising an objective having an optical axis extending substantially vertically; a zoom system downstream of the objective; and a deflector element between the objective and the zoom system for deflecting observation beams emerging from the objective into corresponding magnification or observation channels of the zoom system; wherein the zoom system

Art Unit: 2872

includes at least three substantially horizontally extending magnification or observation channels. However, the prior art of record does not teach that the channels pass entirely through the zoom system while remaining spatially separated from one another and there is no motivation or teaching to modify this difference as derived.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alessandro Amari whose telephone number is (571)272-2306. The examiner can normally be reached on Monday-Friday 8:00 AM to 5:30 PM.
